Monday, July 13, 2009

8:30-3:30 p.m. - Maple Grove Community Center
12951 Weaver Lake Rd, Maple Grove, MN 55369

Presented by: **Developmental Partnerships, LLC**
Scott Harman, MSW, LICSW, IMH-E® (IV)

Scott Harman is a licensed clinical social worker who guides both program and professional development at St. David's Center for Children and Families in Minnetonka, Minnesota. His professional interests include infant mental health, child development, and early, preventative intervention. In addition to teaching and consulting throughout the state, he also sees young children and families in his private practice.

Susan Schultz, Ph.D., LP, LICSW, IMH-E® (IV)

Susan Schultz has a private psychotherapy practice in Edina, Minnesota offering mental health services to children birth through adolescence, young adults, parents and families. She has developed curricula for professional development in infant mental health and Infant Observation. Her work includes case consultation and teaching. Therapeutic intervention with infants, toddlers and parents and the hospitalized child are special interests.

Carol Siegel, Ph.D., LP, IMH-E® (IV)

Carol Siegel is a clinical psychologist in private practice in Minneapolis. Her primary clinical focus is on parenting and the issues that parents with challenging histories encounter while they raise their young children. She also consults with home visiting programs around the state and teaches about early intervention, intergenerational parenting issues, and early childhood mental health.

* Training objectives for early childhood trainings advance key competencies for MAIECMH endorsement
